About Us

The Association for the Promotion of International Students in Weihenstephan e.V. was founded on the 20th of March 2022, by members of the Club Ausländischer Weihenstephaner. The members of the club, which has been active in Weihenstephan since 1939, wanted to expand the range of support for international students and make it easier for interested private individuals, organizations and companies to get involved in supporting international students.

Examples of events that have already taken place:

- 🍷 International movie nights
- 🍷 Excursions in Germany and abroad
- 🍷 Beverage technology lectures including beverage tastings (Gin, Sherry)
- 🍷 Gin manufacturing workshop

Goals of the Association

The promotion of international students in Weihenstephan is carried out in particular through:

- 🍷 the cultivation and expansion of knowledge acquired during and outside the course of study
- 🍷 promoting brewing and imparting knowledge on beverage technology
- 🍷 promoting sports and general education
- 🍷 promoting arts and culture
- 🍷 cultivating an international spirit, tolerance in all areas of culture and the idea of international understanding
- 🍷 the long-term creation of a residence for demonstrably deserving international students for the procurement of housing for international students at reduced rent rates.
